David Bassanese has been Betashares' Chief Economist since mid-2014.

Prior to his role at Betashares, David was a senior financial commentator with The Australian Financial Review. David's previously worked in economic roles at Macquarie Bank, the Federal Treasury and the Paris-based Organization for Economic Cooperation and Development (OECD). He is author of Australia's definitive book on exchange traded funds, The Australian ETF Guide.

David has an Honours Degree in Economics from the University of Adelaide, and a Master in Public Policy from Harvard University.
